

## INACTIVATED INFLUENZA VACCINATION PERMISSION

The Maryland School for the Blind will be offering inactivated influenza vaccinations for the students, free of charge, again this upcoming school year. The flu shots will be administered by MSB Health Center nursing staff and the students will be scheduled to receive the flu shot in the fall of 2009.

If you would like to have your child receive the flu shot at MSB please complete and sign the permission form below and return to the Health Center. Also, your child's primary care physician **MUST** complete and sign the attached Medical Clearance form and return it to the Health Center.

Your child will **NOT** be eligible to receive the flu shot unless we receive back **BOTH forms completed and signed by you and the primary care physician.**

We would like to thank you in advance for your consideration and cooperation in this matter, as we strive to provide a safe and healthy environment for our students and staff. If you have any questions or concerns, please contact the Health Center staff at 410-319-5704.
